SECTION 3. Joint Membership. Individuals recognized in a legally recognized marriage may apply for a joint membership and, subject to their compliance with the requirements set forth in Section 1 of this Article, may be accepted for such membership. The term “member” as used in these bylaws shall be deemed to include individuals recognized in a legally recognized marriage holding a joint membership and any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. Without limiting the generality of the foregoing, the effect of the hereinafter specified actions by or in respect of the holders of a joint membership shall be as follows:

(a) The presence at a meeting of either or both shall be regarded as the presence of one member and shall have the effect of revoking a proxy executed by either or both and of constituting a joint waiver of notice of the meeting;

(c) A proxy executed by either or both shall constitute one joint proxy;
(d) A waiver of notice signed by either or both shall constitute a joint waiver;
(e) Notice to either shall constitute notice to both;

Each member shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy purchased for use on the premises specified in his application for membership, and shall pay therefor monthly at rates which shall from time to time be fixed by the board of directors; provided, however, that the Board of Directors may limit the amount of electric energy which the Cooperative shall be required to furnish to any one member. It is expressly understood that amounts paid for electric energy in excess of the cost of service are furnished by members as capital and each member shall be credited with the capital so furnished as provided in these Bylaws. Each member shall pay to the Cooperative such minimum amount per month regardless of the amount of electric energy consumed, as shall be fixed by the board from time to time. Each member shall also pay all amounts owed by him to the Cooperative as and when the same shall become due and payable. Any expelled member may be reinstated by vote of the board or by vote of the members at any annual or special meeting. The membership of a member who for a period of six (6) months after service is available to him, has not purchased electric energy from the Cooperative, or of a member who has ceased to purchase energy from a cooperative, shall be cancelled by resolution of the board of directors.

(b) Upon the withdrawal, death, cessation of existence or expulsion of a member, the membership of such member shall thereupon terminate, and the membership certificate of such member shall be surrendered forthwith to the Cooperative. Termination of membership in any manner shall not release a member or his estate from any debts due the Cooperative.

(c) In case of withdrawal or termination of membership in any manner, the Cooperative shall repay to the member the amount of the membership fee or connection fee paid in cash by him, provided, however, that the Cooperative shall deduct from the amount of the membership fee or connection fee the amount of any debts or obligations owing from the member to the Cooperative; and, provided further, however, that any membership fee which has been paid, in whole or in part, by the application of capital credited to the account of a non-member patron as provided in these bylaws, shall be repaid to the member only in accordance with the provisions of these bylaws with respect to the retirement of patronage capital.
