

For over 45 years, electric cooperatives have sponsored high school students from across America to visit the nation’s capital and meet their members of Congress. This may be the year you can be a part of this once in a lifetime experience.

Applications for the 2022 Washington Youth Tour are now available from Fleming-Mason Energy. Six semifinalists will be to represent their respective schools at the Frankfort Youth Tour later this spring, along with other students from the state. Two students will be selected from the semifinalists to represent Fleming-Mason Energy on an all-expense paid trip to Washington, DC, in June 12-17, 2023. These students will travel with other Kentucky co-op sponsored youth and co-op employed chaperones to see our nation’s capital and other sites such as Monticello, Capitol Hill, Smithsonian Institution, Arlington National Cemetery, Washington Cathedral, National Holocaust Museum, Library of Congress, U.S. Capitol Building, and the White House.
